The Harvest Trail Information Service is a no-cost service, connecting workers with harvest jobs.

The Harvest Trail website and contact centre can tell you about job vacancies not advertised anywhere else.

We stay in touch with growers all around Australia. Our friendly, professional team members are available Monday to Friday 8am-11pm (AEST) to help connect you with farm work in regional Australia. This includes jobs that qualify for the '88 days' needed for 'working holiday' or 'work and holiday' visas to secure a second or third year. We welcome backpackers, students, grey nomads and residents – anyone who has a legal right to work in Australia.

If you want a farm job in regional Australia – we can help!
