

MADEC

Workforce Solutions

About us

We are a leading national, not for profit organisation, with more than 50 years experience providing employment, education and support programmes aimed at truly making a difference.

True to our core purpose, MADEC provides a labour hire solution that is driven by two core drivers; client satisfaction in the service we deliver, and for the candidate an opportunity to work and change a life through employment.

THE MADEC Advantage

Ethical and above board

We are a labour hire business that is licenced, certified and experienced

Access to Candidates

Access to a network of more than 25,000 ready to work candidates (unskilled, semi skilled)

Offshore candidate pool

We have experience in offshore recruitment via the Pacific Australia Labour Mobility Scheme (PALMS)

Passion

We have a passionate team wanting to make a difference and provide high quality service

Industry Experience

Industry knowledge and specialist experience

Our Services

MADEC's dedicated labour hire specialists ensure you receive a hands-on, top-class professional service that is tailor made to suit your requirements.

With a national footprint our service is agile and responsive to your needs.

We have a mobile workforce of more than 2,000 each week and access to a pool of 25,000 job ready candidates, allowing us to deliver a solution quickly.

We work with a range of large, mid-sized and small businesses across horticulture, hospitality, retail, cleaning, manufacturing and many more industries and sectors.

Our Partnership

When you partner with us, you get access to a team that can help with:

- Sourcing, selection and on-boarding and ongoing candidate management;
- Health and safety advice and support;
- Human resources advice and support;
- Management of payroll and related legislative requirements.
