## GENERAL REQUIREMENTS FOR CALCULATION AND LEVYING OF FEES

### Victoria

- MADEC will publish in a prominent place on its website the standard tuition fee payable for each enrolment in a course and all other fees associated with Victorian Skills First Program government funded training.

- Prior to enrolment, eligible students must be supplied with a Statement of Fees. The statement of Fees must provide prospective students with a quote for the total cost to them, for their proposed course of study/enrolment, taking into account their current circumstances (including and eligibility for concession).
- Prior to commencement of training, the trainer or training administration staff must sight and retain copies of all documentation demonstrating an individual's eligibility for the tuition fee waiver/exemption.

## South Australia

- If a course is listed as "FEE FREE on the SA Subsidised Training List (STL)" this indicates that the course is fully subsidised and no Participant Course fee can be charged. Only those courses designated on the STL as Foundation Skills Courses are fee free.
- WorkReady subsidy levels are premised on the principle of co-investment i.e. that in addition to the subsidy, there will be a financial contribution for the training in the form of a Participant Course Fee paid to MADEC by the participant, the employer of a Participant, or some other person or body. The Participant Course Fee cannot be paid or waived by MADEC.
- Where a Participant Course Fee is payable, MADEC must record it accurately in the creation of a training account and must retain evidence of the collection of the fee.
- In accordance with ATSA, MADEC must publish full and accurate information on Participant Course Fees, and any Incidental Fees. MADEC must not charge additional fees such as administration or enrolment fees.
- MADEC must not charge Participants a full fee for service fee upfront and then reimburse the Participant with the WorkReady subsidy when it is received.
- MADEC may not collect a Participant Course Fee for Foundation Skills (FSK) Courses or Bridging Units sourced from the Foundation Skills training package or from Participants entitled to an exception (participants over the age of 16 and who are, or have been, under Guardianship of the Minister).

## **PROCEDURE**

### Victoria

Tuition fees and other fees associated with training delivery will be charged in accordance with relevant regulatory, contractual and business requirements.

Other course fees for subsidised and non-subsidised training will be set as necessary to recover costs associated with the delivery of the training such as an amenities fee and materials fee.

Fees will only be calculated and charged for the hours in which the student is enrolling that will be undertaken in that enrolment period.

---

Victorian course fees are set out clearly in MADEC's Course Pricing Schedule which is publicly available via the MADEC website. SA course fees are available by contacting MADEC SA Training.

MADEC will ensure that fees and charges are collected and administered in accordance with the provisions of applicable legislative and contractual requirements.

## **South Australia**

Participant Course Fees will be charged in accordance with relevant regulatory, contractual and business requirements.

Other course fees for subsidised and non-subsidised training will be set as necessary to recover costs associated with the delivery of the training such as an amenities fee and materials fee.

MADEC will ensure that fees and charges are collected and administered in accordance with the provisions of applicable legislative and contractual requirements.

## **CONCESSION FEES**

### **Victoria**

Students claiming a concession must provide evidence they are eligible for the concession at the time of enrolment, otherwise full fees will be charged. The concession fee is calculated as 20% of the total standard tuition fee.

Concession fees are not available for students enrolling into Diploma or Advanced Diploma courses. If an individual who was previously eligible for a concession becomes ineligible for the concession before the completion of the hours for which they have paid tuition fees, this does not affect the tuition fees payable for the enrolment.

Prior to the commencement of training, MADEC must sight and retain (electronically or in hard copy) copies of all documentation demonstrating an individual's eligibility for the fee concession granted by MADEC for audit or review purposes and to meet the record keeping requirements of the Guidelines. Where a concession card is presented via a Digital Wallet through a Centrelink Express Plus mobile application, MADEC must sight and authenticate the card by viewing the card directly through the Centrelink Express Plus mobile application on the cardholder's mobile device. These cards may not be sighted via a screen shot of the card that is emailed or otherwise produced.

MADEC must report to the Department all fee concessions granted by the RTO in accordance with the Victorian VET Student Statistical Collection Guidelines as issued by the Department from time to time.

Staff should exercise reasonable judgement where a prospective student is not able to produce appropriate proof of concession prior to the commencement of training. For example, the Department would consider it reasonable to allow students a one week grace period to provide their proof of concession, provided that this was documented within a business process and able to be audited.

For enrolments in courses at the Certificate IV level and below, MADEC must charge the concession fee to an individual who, prior to the commencement of training, holds a current and valid:

- a. Health Care Card issued by the Commonwealth;
- b. Pensioner Concession Card; or
- c. Veteran's Gold Card; or
- d. an alternative card or concession eligibility criterion approved by the Minister for the purposes of these Guidelines

The concessions provided for in clause (a) and (b) above also apply to a dependant spouse or dependent child of a card holder.

MADEC must retain a copy of the relevant concession card.

- In hard copy or electronically scanned copy where a physical card is presented; or
- Its equivalent record as extracted from Centrelink confirmation eServices; or
- Where the concession card is presented via a Digital Wallet through a Centrelink Express Plus mobile application, of which a copy is not possible, the trainer or administration staff must make a written declaration and attach it to the students file stating that the digital concession card has been sighted. (declaration as per concession status on enrolment form).

## CONCESSION FEES

### South Australia

A Participant enrolled in a course for which a course fee can be charged will be eligible for a Participant Course of Concession if, at the commencement of training in a unit of competency in the course, the Participant holds a current:

- Health Care Card: or
- Pensioner Concession Card: or
- Veteran Affairs Concession Card

MADEC must offer a Participant Course Fee Concession to a Participant who holds one of the above concession cards, and the level of concession must be commensurate with Department of State Development (DSD's) calculation of concession reimbursement described in the next section.

A Participant enrolled in a course for which a fee can be charged will be eligible for a Participant Course Fee Concession if the Participant is a **prisoner** in a South Australian correctional institution. This includes all prison inmates, detainees, people on remand, those held in South Australian institutions in connection with the commission of an offence, and extends to children in South Australian detention centres who are beyond the age of compulsory schooling. Generally, this group of Participants may be referred to a Service Provider through a Prisoner Education Officer.

MADEC must seek evidence of eligibility for a Participant Course Fee Concession from the Participant and record this in the Participant's Training Account to ensure that the correct subsidy is paid.

MADEC must ensure the information about concession eligibility recorded in the Training Account for each Participant is current and maintained throughout the period of the enrolment.

The concession subsidy will only be paid for a resulted unit of competency if the expiry date of the Concession Card is later than the Enrolment Activity Start Date for the unit of competency.

Where a MADEC gives a participant a concession, and the expiry date of the Concession Card is later than the Enrolment Activity Start Date for the unit of competency, MADEC will be reimbursed by the Minister for the Concession saving passed on to the participant, up to a maximum of \$1.35 per hour. The reimbursement cannot be more than the concession given to the participant.

## Calculation of concession reimbursement

The concession reimbursement payable by the Minister is the standard Participant Course Fee for the course, minus \$0.50 per hour of training delivered, to a maximum of \$1.35 per hour. The table below shows examples of concession reimbursement, based on the standard Participant Course Fee charged by MADEC.

Example	Standard Participant Course Fee	Concession reimbursement	Participant pays
A	\$0.50 per hour	\$0	\$0.50 per hour
B	\$0.80 per hour	\$0.30 per hour (\$0.80 - \$0.50)	\$0.50 per hour
C	\$1.85 per hour	\$1.35 per hour (\$1.85 - \$0.50)	\$0.50 per hour
D	\$2.50 per hour	\$1.35 per hour	\$1.15 per hour
